Afternoon Tea for Ms Tully

WE are having an Afternoon tea on Friday 29th November starting at 2:45pm to celebrate Ms Tully's last day before she enters the world of motherhood! We are inviting all families to celebrate with us so if you could make a plate to share to help with the catering, that would help feed the children as well.

Drumming Demonstration

We have been approached by a professional drum teacher who is interested in teaching drumming to students at our school. So that students can get an idea of what he would be doing in the lessons, he will do a 20 minute demonstration and talk about the lessons on Friday, 29th November at 9:15 in Mr Sheppard's room. Any parents who are interested in seeing what he has to offer are welcome to attend the session. We will be surveying the community later on to establish how much interest there would be in starting lessons next year. They would be held at 8:45 am before school, one day each week, at a cost of about \$10/week.

ALL BOOKCLUB ORDERS AND MONEY NEEDS TO BY WEDNESDAY 27TH

School Accounts - Reminder

To allow for a smooth transition from this financial school year to the next, all outstanding accounts need to be finalised by November 27th. An invoice was sent home last week. If you require assistance to pay your account please see either myself or Mrs Mahony, all requests are kept confidential.

Monday's Rain Event

We would like to thank everyone for being so vigilant and helpful picking up the children during this '250mm" significant rain event. Fortunately, we missed the flooding but the potential was very close.

Swimming on Friday

Swimming will continue as usual this Friday so all children must remember their swimming gear. However, there will be ***no swimming next Friday, 29th November.***

Leader's Speeches

Our new leaders for 2014 will be presenting their Leader's speeches next Friday afternoon (as there is no swimming that day) with the elections being carried out the same day.

Quality Work Folders

Could you please ensure your child/ren have returned their quality work folders to school so that we can start organising them for binding at the end of the year.

World Day

Our Year 6 Leaders organised a fantastic day yesterday raising \$41.50 for our African Aid Foundation. They did some face painting, sold some bookmarks and cakes, and organised a range of activities for the children to enjoy during the last session of school. These included sport (Cricket with Tim and Liam; soccer with Harry and Tom); Dance (with Emma and Bailea), making coloured play dough (with Charlotte and Lucy); Craft (with Victoria and Nyah) and making some drums (with Clinton and Gabriel). The following photos give you some indication of the activities in which the children were involved.

We'd like to thank Mrs Murphy who helped the students organise the day—she, and the students, did a wonderful job.

...to use zucchini!

Now's a great time to add Zucchini to family meals - it's in season, delicious + cheap!

A few Zucchini Facts:

- Most of us know zucchini comes in **dark green**, but did you know zucchini also comes in **yellow + pale green** varieties?
- Zucchini can be **stir-fried, steamed, pan-fried, barbequed or grilled** so why not try zucchini a different way today?
