Class News

K-1

Last week our science students found a yummy way to investigate our Earth's resources. This week we are looking at our new recycle and bin system. In maths this week K-1 will continue to learn about area.

2-3

Hands-on learning continues in 2/3 this week as we explore volume and capacity during maths lessons. So far, we have looked at capacity, using water and sand, and a range of bottles and containers, to gain a greater understanding of this form of measurement. The focus will now turn to volume as we look at how much space certain items take up in our world and how we measure that space. Students will also keep working on their Roald Dahl animations, bringing scenes from their favourite books to life. We will be posting the finished products on the school Facebook page before the end of term. Ms Hartigan has a professional development day at Glen William Public School on Tuesday and Year 3 students will be joining 4/5/6 for a fun cricket day at Raymond Terrace on Thursday.

4-5-6

This week we will be working hard on building our knowledge of Earth and Space, deepening our understanding of the settlement of Australia and collecting data and presenting it in graphs.

Parent Helpers Morning Tea- Reminder

We would like to show our appreciation to all parents, grandparents and community members who have supported the school this year. We would like to invite you for a special thank you morning tea on Thursday 12 December under the COLA after our music concert at approximately 11:30am.

Christmas Hamper

P & C has once again provided a collection basket for contributions to our "Christmas Hamper" which is presented to the Salvation Army each year. The basket will be placed in the entry foyer of the Admin area where it will be convenient to receive your most welcome donation.

Chickens – Christmas Holidays-Reminder

With the holidays fast approaching we would like to appeal to our community to see if anyone could possibly take the entire chickens 'home for a holiday' over the Christmas break. The school will provide you with all the food and grit that you will need. This would be much more time efficient than producing a roster for 6 weeks. Please see Mrs Mahony if you are able to help.

Book Club

Issue 8 brochures are coming home today. If you would like to order, please return order to the office by Wednesday 27 November.
